

Dear Santa Runner,

Firstly, we would like to thank you for supporting the third **Race Harborough Santa Run**. It's one of our favourite events with a great atmosphere for a family day out. Please find a few final details below:

Address

The Welland Park is situated off the Welland Park Road or Farndon Road. LE16 9DR will get you close! There are two car parks with limited spaces so we encourage everyone that can to walk, cycle or share lifts.

<http://www.harborough.gov.uk/welland-park>

Registration

There are TWO opportunities to collect your Santa suit and race number.

Friday 9th Dec - 5-7pm at Snap Fitness off Rockingham Road in the Three Manors Retail Park, Market Harborough

Sunday 11th Dec - 12pm – 1.45pm We will be set up outside the café on Welland Park.

1.45pm – Race briefing

1.55pm – Mass warm up lead by Snap Fitness

2pm – Race starts

First Aid

As with all our events full medical cover will be in place and a St. John's crew will be situated at the start point. If you do require any medical attention, please make a marshal aware and they can radio us at Race HQ immediately.

Photography

We take pleasure in providing FREE photography for this event. Whilst they will try and capture everyone there is no guarantee that you will have an individual shot. Photos will be live and searchable within 24 hours on <http://www.mickhall-photos.com> We also encourage the use of GoPro's for any video footage but on one condition you share it with us and load onto Facebook!

Toilets

They are situated near the café in the brick building close to the start line.

Snap Fitness

Thank you to Snap Fitness for sponsoring the Santa Run for a third year. The team from Snap will be on hand throughout, conducting the mass warm up and offering EVERY participant a free 1-week trial. Make sure you see them at the finish line too for your chance to enter a prize draw to win some great prizes.

Charity

The Squires Effect distribute the money amongst local charities and good causes, in particularly young people. We are encouraging everyone to ask colleagues, friends, family, school mates to raise a few quid. There are plenty of ways to do this, using the sponsorship form on the flyer or downloaded from the website. Please pay them a visit on the day to enter their terrific tombola!

On the day – let's get in the Christmas spirit!

Market Harborough Ukulele Group, who are providing musical entertainment, will be collecting to donate to local charities.

Roy and the café team will be selling their usual selection of hot and cold food and drinks too. Spectators always welcome!

HFM will also be bringing along their soundstage.

Dogs

Please keep your dogs on their lead. To avoid any unnecessary chaos, please try to start roughly in pace order ie. slowest at the back. It will be safer for all, if the dogs start at the back too. Don't forget that Paws 4 Walking have provided a festive hamper for the "Best Dressed Dog." Thank you again to their continued support.

Clothing

Don't forget to have your usual running gear on including trainers. Your Santa suit will go on top. The beard will itch and your trousers will probably fall down a bit!

Thank you

Finally, a thank you to our other supporters including Britvic that have provided bottled water for you all, Snap Fitness, the headline sponsor and of course the **marshals** without whom the event couldn't happen.

Any questions, feel free to contact us. Otherwise, see you on Sunday 11th December.

Amy & Brian

Race Harborough
