

Thank you for considering Racing for Free. Here's how it works.

Firstly you pay to enter as normal. Then contact the Squires Team and they will give you details of the support package that they are offering.

This includes:

- A Squires running jersey
- Space at a cheering station on the course for your family and friends to give you some support
- A post race massage to ease those weary limbs
- A post-run party to celebrate your achievements

When you have raised the money, we will refund your entry fee.
